Product information

Innovative TPR design combined with a level D cut liner makes for an impact glove with exceptional dexterity, comfort and protection. The TPR pods are bonded directly on to the glove instead of traditional machine stitching which allows the glove to move freely with the hand. Fully dipped nitrile coating offers a secure grip and an exceptional barrier against liquids. Reinforced thumb crotch for extra durability. Works with most touchscreen devices.

Impact protection

Hand injury is one of the most common and frequent complaints in the workplace. This collection of gloves provides vital protection against impact to the hand from multiple hazards.
